The readings for the Arcana Class are from AC 9796 - 9830. This begins with a short section on the Doctrine of Charity and Faith concerning those who have their internal man opened and those with whom it is closed. After this Exodus 28 takes up the internal sense of Aaron and his sons and the garments of their priesthood. We will cover the first four verses of Exodus 28, which introduces this subject in great detail.

A zoom link will be sent out beforehand. If you would like to receive this please let me know. Hope you can join us, Andy

A note from the secretary: would anyone be willing to host the Arcana class on Sept. 27? Please let me know! Jen McQueen
