New Church Craft Sale:

We're planning to have a New Church Day Craft sale in the Society Room on Saturday, June 8th. It seems like a good time of year to encourage creative types to make beautiful and useful things that reflect the doctrines of the New Church to share with others. Whether it's traditional artwork, household items, or adornments, it would be really neat to have an increased offering of New Church crafts inspired by stories or concepts from the Word or the Heavenly Doctrines, and we'd like to involve all ages in the endeavor. So start thinking about and creating items to share!

Contact Ayisha (215-407-3001 Ayisha.Synnestvedt@gmail.com) if you or your kids are interested in having a table.

Do you have Fabric to get rid of? I am seeking donations of 100% cotton calico fabric in pieces larger than 18" x 24" for KNCS Girls Day when the girls make baby blankets to donate to the hospital. Contact Heather King 484-860-0973 with questions or donations.

Kempton Lions Club Golf Outing: Sunday, June 1st at 1:30 p.m. If you want to play, talk to any Lion to register with your foursome. It's a very fun day and all the proceeds help your Kempton neighbors in need. Kempton Lions Club includes members Steve Hendricks, Jeremy Synnestvedt, Tom Kerr, Mark Wyncoll, John Walker, Cedric Lumsden and Curtis McQueen.

Job Postings at KNCS:

Kempton New Church School
High School Math Teacher

Kempton New Church School is seeking applicants for a part-time high school math teaching position for the 2024-25 academic school year. It is requested that applicants read through the KNCS handbook before applying. The handbook is available on the school's website www.knecs.org.

RESPONSIBILITIES:

Responsibilities include teaching high school geometry. The successful applicant will engage students in learning about geometry from the light of the Sacred Scripture and Heavenly Doctrines, while staying up to date on current best practices for teaching. They will create a positive and orderly learning environment within the classroom. The individual will be expected to work collaboratively with parents.

PERSONAL AND PROFESSIONAL REQUIREMENTS:

- Bachelor's degree, preferably with college level math coursework
- Ability to work collaboratively with other teachers
- Ability to maintain confidentiality
- Belief in marriage as defined in the Word and Heavenly Doctrines
- Baptized into the New Church
- Member of the General Church
- Ability to design, develop, implement and teach lesson plans to meet New Church religious learning objectives.
- Ability to perform religious duties, including the teaching of New Church theology, and participate in religious activities with the students including chapel, chapel discussions, reading of the Word and Heavenly Doctrine and prayer.

PREFERRED EXPERIENCE AND CAPABILITIES:

- Experience teaching the math course listed above
- Experience working effectively with diverse populations of learners
- Good written and oral communication skills
- Strong classroom management and interpersonal skills
- Patience and flexibility
- Knowledge of special education practices
- Desire to engage in professional development

To apply:

Interested candidates should submit a cover letter, resume, and contact information for 2 references to dale.smith@knecs.org

Address the cover letter to:

Dale Smith
Assistant Principal, Kempton New Church School
583 Hawk Mountain Road
PO Box 140
Kempton, PA 19529

Kempton New Church School
High School Science Teacher

Kempton New Church School is seeking applicants for a part-time high school science teaching position for the 2024-25 academic school year. It is requested that applicants read through the KNCS handbook before applying. The handbook is available on the school's website www.kncs.org.

RESPONSIBILITIES:

Responsibilities include teaching 11th and 12th grade chemistry and human anatomy. As Kempton New Church school is organized into two grade classrooms, these sciences are taught in alternating years. The successful applicant will engage students in learning about the sciences from the light of the Sacred Scripture and Heavenly Doctrines, while staying up to date on current scientific research and best practices for teaching the courses listed above. They will create a positive and orderly learning environment within the classroom. The individual will be expected to work collaboratively with parents.

PERSONAL AND PROFESSIONAL REQUIREMENTS:

- Bachelor's degree, preferably in one of the hard sciences
- Ability to work collaboratively with other teachers
- Ability to maintain confidentiality
- Belief in marriage as defined in the Word and Heavenly Doctrines
- Baptized into the New Church
- Member of the General Church
- Ability to design, develop, implement and teach lesson plans to meet New Church religious learning objectives.
- Ability to perform religious duties, including the teaching of New Church theology, and participate in religious activities with the students including chapel, chapel discussions, reading of the Word and Heavenly Doctrine and prayer.

PREFERRED EXPERIENCE AND CAPABILITIES:

- Experience teaching the science courses listed above
- Experience working effectively with diverse populations of learners
- Good written and oral communication skills
- Strong classroom management and interpersonal skills
- Patience and flexibility
- Knowledge of special education practices
- Desire to engage in professional development
